Sprawling home offering dual-living

This unique and spacious home is perfectly suited to accommodating a large multi-generational family and a wide range of lifestyles. The sprawling floorplan boasts four bedrooms and three bathrooms along with multiple living spaces and a self-contained granny flat nestled at the rear of the block.

The main residence is centred around an open-plan and air-conditioned kitchen, dining and family room plus there's a large living area with a gas heater and soaring pitched ceiling. Cooking will be a joy thanks to the modern stainless steel appliances, stylish fixtures and abundance of storage while the open design is perfect for hosting guests.

All the bedrooms have easy access to the two well-appointed bathrooms plus there's a large laundry and a separate light-filled studio that could be used as an additional living area, a gym or even a home office. An enclosed entertainment area connects the main home to the granny flat and also opens out to the private central deck.
