Good location with three bedrooms

The open plan living and kitchen offers an abundance of light with plenty of storage space. The kitchen has a stunning granite bench-top, gas cooking and is perfect for a professional individual or couple. The laundry cupboard is separate and includes that little extra storage that everyone needs. The sparkling, modern bathroom is a good size and finally the large bedroom comes with a built in robe.

Conveniently located in the heart of the central business district, close to public transport, shopping, cafes, restaurants, IGA supermarket and plenty more of the amazing amenities this wonderful City has to offer.
