Thompson Place - Brand New Townhouses with Architectural Flair

Where modern elegance meets riverside tranquillity.

Introducing Thompsons Place - a boutique collection of brand-new townhouses in one of Templestowe Lower's most naturally beautiful pockets. Designed by Mezz Group with landscaping by Enlocus, each residence offers modern elegance with terrace gardens and private balconies that flow effortlessly into the surrounding greenery, creating a vibrant community connected to nature. The moment you step into your home at Thompsons Place, there is a sense that everything is in its right place. From the smallest touches to an entry that frames the dining room, the design elements are subtle yet considered. The open-plan kitchen, dining and living areas are flexible enough to make daily life a breeze while offering a refined space fit for special occasions. Ceramic benchtops, white and timber cabinetry, and a generous island bench allow for maximum preparation space with ample storage - ensuring everything has its place.
