Multigenerational living opportunity

Perfectly positioned in Epping, this expansive family residence offers far more than meets the eye all on 664m² approx. From the striking details of the main floor to the incredible "blank canvas" potential of the lower level, this is a home designed to grow with your family.

The front lounge feature's a cathedral-style ceiling that creates an immediate sense of grandeur. The home flows seamlessly with high-quality laminate flooring through the living zones, ensuring durability without sacrificing style.

- Master Suite: A true retreat featuring a walk-in robe, ensuite, and ceiling fan.
- Comfort all year-round with evaporative cooling and floor-ducted heating.
- Energy Efficiency: Drastically reduce your bills with a solar panel system equipped with two storage batteries.

The kitchen and dining zone are tiled for easy maintenance, featuring an island bench perfect for meal prep and social gatherings. Other feature's include plenty of storage, Wall-mounted oven, electric cooktop, ...
