### Space, style, and flexible family ease

Set on approximately 425sqm, this beautifully presented single-level home offers family space and flexibility, combining generous proportions with a secure outdoor area and living zones designed for easy family living.

On entering, the home feels immediately inviting, with warm timber flooring and natural light throughout. A spacious front lounge with a feature fireplace offers a quiet place to unwind, while the open family and dining domain forms the social hub of the home. At its centre, the sleek kitchen is well-equipped for busy households, featuring quality stainless-steel appliances, ample storage, generous bench space, a walk-in pantry and a breakfast bar island designed for casual meals or entertaining.
