### Modern, low-maintenance living in a fast-growing Wollert pocket

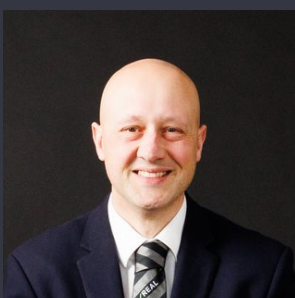

Positioned in one of Wollert's most sought-after growth areas, this stylish three-bedroom home offers an easy-care lifestyle with broad buyer appeal.

The floorplan is well considered, with three bedrooms including a master suite with ensuite and walk-in robe, open-plan living and dining, and a modern kitchen that connects well to the main living zone. An additional upstairs living area adds flexibility for work, study or a second retreat.

Outside, the private courtyard provides a low-maintenance space to relax or entertain, while secure garage parking includes the added convenience of a Tesla charger, along with practical storage to support everyday living.

This is a home that will suit both owner-occupiers looking for comfort and investors seeking a quality property in a high-growth northern corridor. Located close to schools, shops, parklands and major road connections, it offers the lifestyle and convenience buyers are actively looking for in Wollert.
