Versatile townhouse living, close to all public transports, city views

This contemporary townhome offers three levels of zoned privacy, polished timber floors, and multiple outdoor spaces, all designed for an easy lock-and-leave lifestyle. A secure porch entry introduces a generous ground-level living room, creating a distinct space for relaxing or working from home, with split-system heating and cooling ensuring year-round comfort.

Beyond, a robed bedroom, central bathroom and laundry are ideal for visitors or flexible living. Sliding doors open to a sunlit rear patio courtyard, creating a private and low-maintenance alfresco extension.

On the first level, the home opens up beautifully for social living, with an open dining domain and a sleek, well-appointed kitchen featuring stainless steel appliances and excellent storage, with two adjacent balconies. The upper floor features an impressive main bedroom suite with panoramic city views, a walk-in robe, an ensuite, and a dedicated study area.
