City Views, Two Bedrooms, Docklands Lifestyle

Resort-style living meets city convenience on the twenty-first floor of this Woods Bagot-designed building, where residents enjoy an outstanding suite of wellness and lifestyle facilities in a truly connected lifestyle location.

The main bedroom occupies its own private corner, complete with a built-in wardrobe, ensuite and direct access to the covered alfresco balcony, while the second bedroom, ideal for family, guests, shared living arrangements or a work-from-home setup, sits at the opposite end beside a stylish main bathroom. Bridging the two bedrooms, the open-plan living and dining zone flows out to the balcony, framing an ever-changing outlook across Docklands rooftops to Victoria Harbour, Marvel Stadium and the city skyline beyond.

The kitchen is just as considered, with stone benchtops, a gas cooktop and quality Miele appliances for everyday cooking, while a European-style laundry adds everyday practicality. Year-round comfort is assured with split-system heating and cool...
