Classic Family Proportions On A Substantial 609m

Positioned in a quiet, established Hadfield pocket, this original three-bedroom home presents an exciting opportunity for families, renovators, investors and developers alike. Set on an impressive 609m² (approx.) allotment, it offers the space, flexibility and location to create something truly special.

Enjoy the comfort of a well-proportioned existing residence while considering the outstanding potential to renovate, extend or explore a future redevelopment opportunity (STCA). The generous landholding provides plenty of scope for outdoor entertaining, family living, additional accommodation or a contemporary new-home vision.

Conveniently located close to local schools, shops, parks, buses and major arterial access, this is a property that combines immediate appeal with genuine long-term upside.
