A New 3 Bed + Study, 2 Bath, 3 Level Townhouse

Functionality is key and the open plan living space makes the already huge town house feel even bigger.

Features Include:

Ground Level - consists of 2 x living zones, with the kitchen and dining area closest separating the living area to the front. The rear of the property opens up onto the court yard and garden that acts as the alfresco area.

First Level - consists of two bedrooms and a study, each of the bedrooms have walk in or built in robes. The second bathroom is located centrally on this level and comes with dual vanity and bath. The study is located next to the bathroom and could also double as a media area. Its on this level that the second forward facing bedroom has a large balcony.

Second Level - consists of the third bedroom. The entire level acts as the huge master bedroom, en suite and parents retreat. This space will impress as will the huge ensuite with a modern clean finish. The room is fitted with two walk in robes and the room is big enough to include a parents ...
