From its classical facade to its perfectly private courtyard retreat, this renovated Victorian delivers a series of delightful inner-city spaces close to Windsor station, Chapel Street's most inviting, cafe conscious surroundings and the green expanses of Alma Park.

A generous double bedroom featuring a period fireplace and polished floors leads to large central Living and Dining areas rich in personality, enhanced by high ceilings. To the rear, a similarly spacious Meals zone adopts the style of a charming conservatory and includes an open plan Kitchen in which granite benches and stainless steel appliances match elegance with efficiency.

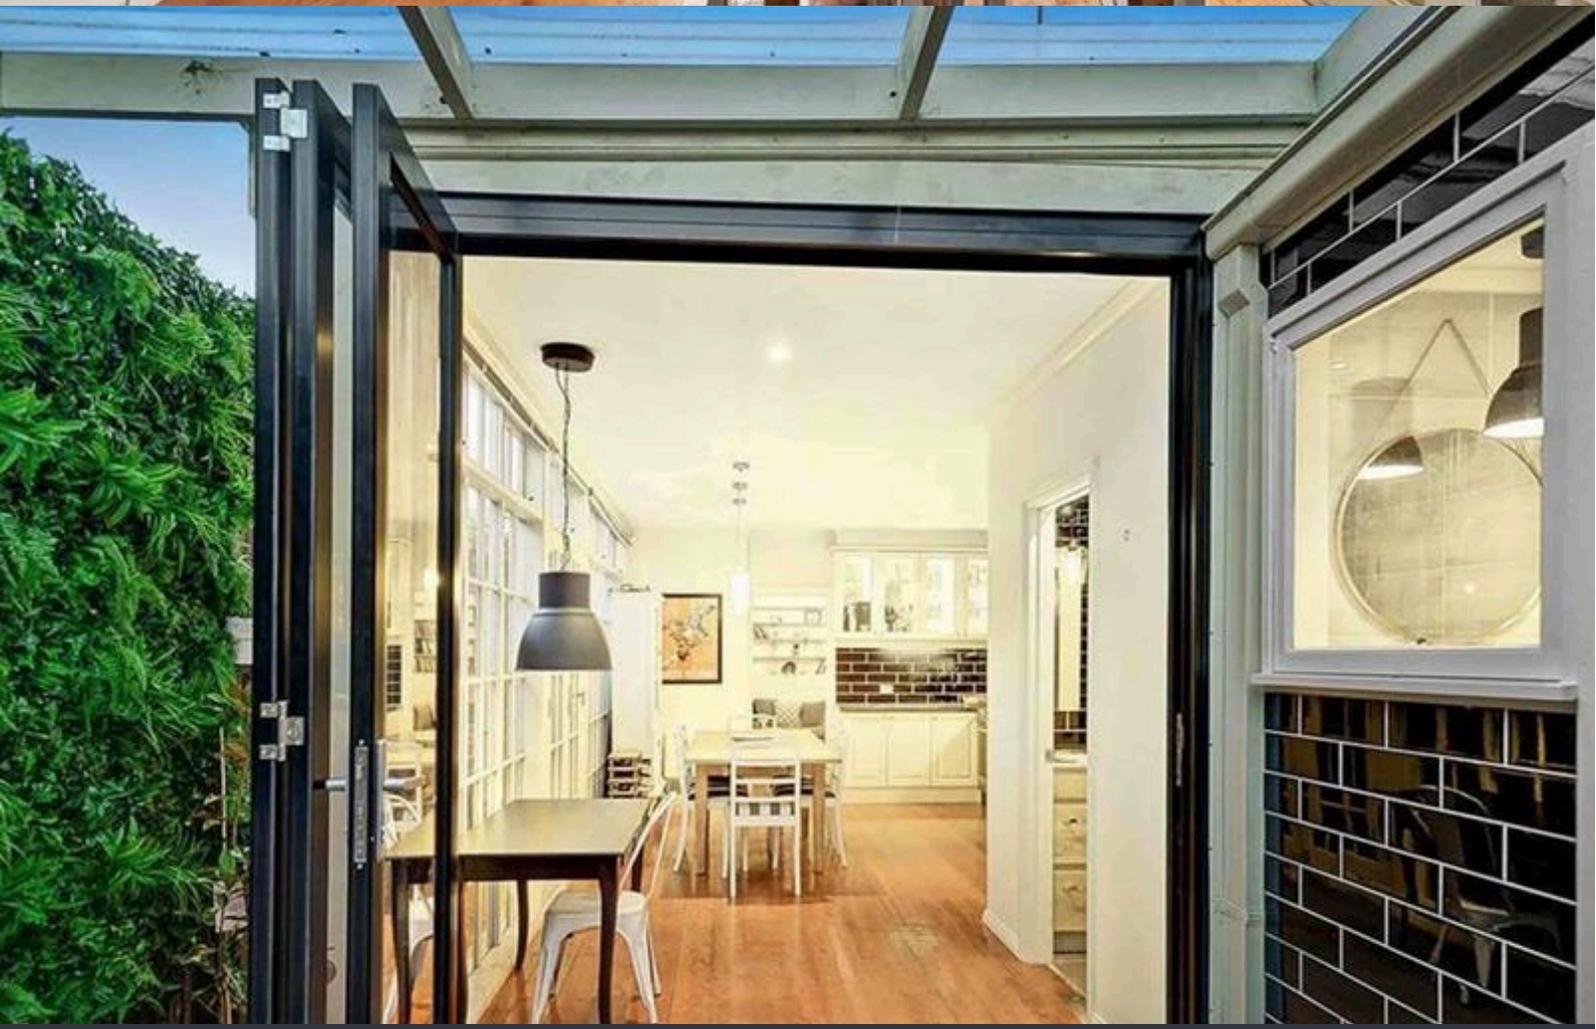

A skylit, fully tiled bathroom completes instantly appealing interior dimensions before the courtyard contributes an intimate, under-cover conclusion.
