Spacious family living awaits both inside and out

From the light-filled living spaces to the generous two-storey layout and large private backyard, there is just so much to love about this modern family home.

Whether you're hosting guests or relaxing at the end of the day with loved ones, the open-plan kitchen, dining and living space is sure to be a favourite place to unwind. Cooking will be a pleasure thanks to the sweeping benchtops and stainless steel appliances while friends can gather at the breakfast bar while you cook up a gourmet feast.

Gorgeous tiled floors flow underfoot and lead out to the expansive and fenced backyard, perfect for those with kids or pets. Here, you can bask in the sunshine and indulge your passion for gardening or simply kick back and take in the peaceful surrounds.

For ease of access, there is a powder room and a bedroom on this floor with a built-in robe while the remaining three bedrooms are set on the upper level. The master is generous in size and features a walk-in robe and an ensuite plus there...
