STORAGE SYSTEM

Dimensions and areas are approximate and are subject to change without notice. Internal measurements are taken from wall-to-wall of major built-in units and external face of the subfloor. Projected purchase floor area on that basis applies. All floor area measurements are provided in the common metric system (metres), while the floor-to-ceiling height is provided in feet and inches. All measurements are approximate and should not be used for legal purposes. All measurements are provided for illustrative purposes only. We make no guarantee of the accuracy of the plan, and you should independently determine the suitability of the property for your requirements.
