Enjoy room to move, play and entertain in style

A quiet family-friendly cul-de-sac and charming facade ensure you will fall in love with this home before you even step inside. There's room for everyone to move, play and entertain with multiple living spaces and a sprawling covered alfresco where you can host guests in comfort and style no matter the weather outside.

Your spacious master suite is set at the front of the home with a walk-in robe and an ensuite. All three of the bedrooms have split system air-conditioning and there's a central main bathroom with a separate bath, shower and toilet.

A light-filled living room is set just off the entry while the hub of daily life is sure to be the open-plan and air-conditioned kitchen, dining and family room. A gas cooktop and ample bench space are ready for the avid foodie or you can make your way outside and cook up a storm on the alfresco as you relax with loved ones.

A laundry, with built-in storage, and an attached carport are just a few of the extra features this impressive floo...
