Spacious living and an easy-care lifestyle

Treat yourself to an easy-care home in a central location with everything you need to enjoy the chaos of family life. The floorplan is bright and modern with an open-plan layout that allows the family to all gather together. A quality kitchen with plenty of storage, a dishwasher and a gas cooktop overlooks the living and dining space, while a breakfast bar is a perfect place for casual meals.

A separate rumpus room is set between the two bedroom wings, ensuring the kids can make a mess while you host friends or enjoy a peaceful start to your day. Set on one side at the front of the home is the owner's suite with an ensuite and walk-in robe. The three guest bedrooms are all in another wing along with the main bathroom and laundry.

When friends drop by, there is a rear covered patio ready for you to gather around the BBQ and dine alfresco as the kids play in the backyard. Mature and easy-care landscaping means you can spend your weekends exploring this wonderful location. You'll disco...
