### Make this modern home your own

Made for the modern family, this comfortable and contemporary abode will tick all the boxes on your dream property wishlist. Buyers craving room to move and play will appreciate the spacious layout and four good-size bedrooms plus there are also two bathrooms, multiple living areas and a fenced backyard.

You can take your pick from the light-filled family room, with external access, or the open-plan kitchen, dining and living room. A large centre island will be a favourite gathering place for friends and family as you watch the household chef cook up a storm with the stainless steel appliances, sweeping benchtops, tiled backsplash and abundance of storage with the overhead cupboards and pantry.

The storage continues into the guest bedrooms with built-in robes and easy access to the main bathroom with a separate bath, shower and toilet. The new owners haven't been forgotten with a private master suite set at the front of the home, with a walk-in robe and ensuite, where you can retire...
