Easy-care living designed for the modern family

This is your chance to live a life less ordinary and secure a home that you'll be proud to call your own. With a prized location, a host of must-have features and room for the whole family, it's hard to go past the appeal of this Cranbourne North abode.

The single-level layout boasts four bedrooms and two bathrooms including the master with a walk-in robe and ensuite. All the guest bedrooms have built-in robes and easy access to the main bathroom with a separate water closet for convenience.

When it comes to living space, you can take your pick from the open-plan kitchen, meals and family room or move into the separate theatre for movie night. The chef of the household will fall head over heels for the kitchen's sweeping benchtops and abundance of storage plus there's also a good-size pantry, breakfast bar seating and a suite of stainless steel appliances.

Hosting guests will be a breeze on the covered and private alfresco while those with kids will appreciate the large fenced yard...
