New Two Bedroom Living with a Luxury Attitude

With a standout resume that includes high end quality, well-sized and stylish interiors, and a position where you're a literal stone's throw to Box Hill Central, this brand new two bedroom apartment has a coveted spot on the top floor of the boutique Elland Avenue complex.

A brilliant opportunity for owner-occupiers and investors, this 7th floor abode is truly something special. The sizeable lounge and meals hub is bathed in natural light thanks to full windows, while an adjoining stone kitchen shares the space and is equipped with soft-closing joinery and stainless steel appliances.

Both of the bedrooms sit right next to each other and offer built-in robes, while a lavish bathroom is flawless and includes a rain shower. Also embrace the large balcony with views to the south (access from living zone and one of the bedrooms), European laundry, reverse cycle heating and cooling, intercom entry, and a secure car space.
