Rare Allotment in Growth Zone with Plans!

Seeking a development site in a strong residential growth zone with plan and permit approved! Looking for a charming character-filled home? Either option can be a reality at this ideal location! This well-kept historic home has a sensational position just a short walk from vibrant Box Hill Central with development plans and permits for five townhouses already in place.

This approx. 665m² north-facing allotment has a strong appeal for development or for rental return from the four-bedroom, one-bathroom home that has been lovingly maintained and updated for modern life.

From the moment you step onto the wide-covered veranda of this historic home, you'll fall in love with the charming original qualities - stunning polished wood floors, timber door frames, ceiling details, traditional federation styling and tiles, and stained-glass feature windows.

The spacious open-plan living area is next to an updated kitchen with loads of cupboard and bench space and both areas have large window ...
