Timeless Beauty - Brand New TWO Bed Room - The Most Luxury waterfront Life Style in Docklands

CONCAVO is undoubtedly Melbourne's most exclusive and iconic waterfront address. It is the first Australian luxury high rise tower to receive a 4 Star Green Star environmental rating and the first development in Australia to boast visual display panels to provide occupants with valuable information including live data on electricity and water usage and cost, as well as CO2 emissions generated through electricity use.

Concavo presents luxurious entrance lobbies, comprises 235 apartments and features a cross section of different apartments in four different residential offerings, from prestigious waterfront homes and tower penthouses to luxurious tower and city side apartments. Each apartment comes with parking and a storage cage.

Concavo consumes 25% less water than comparable sized buildings due to the inclusion of water efficient appliances and fittings, and a large rainwater tank for landscape irrigation and swimming pool top ups.

Concavo offers waterside views while being lit...
